The Ultimate Day Camp Experience

Bloomsburg SportsPlex summer camps are for youth ages 5 - 12. From curious beginners to the budding advanced, our camp exposes children to fitness and fun in a safe, caring, noncompetitive environment. Our goal at Summer Camp is to offer campers a place to play, as well as to instill in them a wide range of skills they will use for the rest of their lives. Through spirited interaction, campers develop competence, gain self-confidence, and discover the fun of fitness. At SportsPlex camp we firmly believe that confidence is the key to success and, therefore, gear our teaching toward making campers feel good about fitness education and their own abilities. Camp will entail fitness and social interaction, as well as specialized activities like reading, arts and crafts, themed educational activities, and self-esteem/character-building games. Sign your children up now to have them join our highly certified and professional staff for a summer packed with fitness, fun, and learning!!!
